

From 1-100
how much do
I believe my
thought?

Is there
another
possible
thought?

Has this
thought come
true before?

Can I prove
this thought?

What would
my friend say
about my
thought?

What's the
worst that
can happen?

How do I know this for sure? Am I guessing?

What will I think about this in a year?

Can i prove my thought wrong?

What exceptions are there to my thought?

How likely is this thought to come true?

Is this thought true for anyone else?
